

# orlandini eva.

## >> PROFILE <<

Web developer with dual expertise in development and UX/UI design. Specializing in the creation of intuitive, pixel-perfect user interfaces, I combine technical skills and business vision to deliver impactful web solutions. Recently Full-Stack certified by Le Wagon combined with intensive self-learning, I'm ready to take on challenges !

## >> TECHNICAL SKILLS <<

**FRONT-END** HTML, CSS, SCSS | JavaScript, React, Vue.js | Bootstrap, TailwindCSS

**BACK-END** Ruby on Rails | RESTful APIs, MVC | SQL, Active Record

**DESIGN** UX/UI : Figma | Graphics : Photoshop, Illustrator

**TOOLS** Git, Github | Cloud : Heroku | API testing : Postman | Jira, Trello

**LANGUAGES** French, native language | English, fluent
